OTAC Private Practice Network

Pediatric Private Practice Insurance Challenges (1.5 PDU's)

Domenique Embrey, OTD, OTR/L

Occupational therapy practitioners in private practice accept private insurance or private pay from families. Insurance companies identify what they will pay for and scrutinize documentation. What barriers prevent pediatric occupational therapy practitioners from accepting private insurance?

Come learn insights from Domenique Embrey, OTD, OTR/L, a private practice clinician and co-chair of the OTAC Private Practice Network. This session originally was presented on Thursday, November 7 at the OTAC Annual Conference & Innovation Expo and received an excellent evaluation.

What multiple attendees had to say. Excellent! Engaging! Great presentation! Thank you!

Watch for two more Private Practice Network sessions coming soon.
