

Occupational Therapy Association of California Fact Sheet

2022-2023 OTAC Strategic Priorities

VISION – A world where all people participate in meaningful occupations to optimize their life experiences.

MISSION – OTAC is the collective voice that serves, promotes, and supports the profession of occupational therapy and its practitioners.

About OTAC

The Occupational Therapy Association of California (OTAC) is a nonprofit 501(C)(6) established in 1976 and governed by a volunteer board of directors with support from its staff in Sacramento.

In addition, OTAC's vision, mission, core values, and strategic plan are supported through the work of its volunteer committees.

There are currently more than 22,000 licensed occupational therapy practitioners in California.
