

SPRING SYMPOSIUM

CONTINUING EDUCATION CONFERENCE

March 19 & 20, 2016

Crowne Plaza San Diego
Mission Valley
2270 Hotel Circle North
San Diego, CA 92108

Welcome!

We are pleased to welcome you to OTAC's 2016 Spring Symposium—a Professional Development Conference. This Symposium offers a rich choice of sessions, networking opportunities, and updates on legislative and regulatory issues of concern to occupational therapy practitioners. This Symposium is for you ... about you ... by you.

We applaud you for taking the time from your busy schedules to join us in growing professionally and personally. Thank you as well for recognizing the value of OTAC's professional development programs. We don't believe you will find better content at such a great value. OTAC works for you!

This year's Symposium again includes our Saturday Town Hall Lunch with a legislative update on issues critical to occupational therapy practitioners, as well as the Regional Legislative Reception, a chance to demonstrate our unity as a profession. The Sunday Networking Lunch offers informal networking opportunities.

Please help us in thanking our Symposium sponsors and presenters. Without their support and generosity, we would not be able to bring you this professional development event. Look for individuals wearing sponsor or presenter ribbons on their badges, and please take a moment to offer your appreciation for their support. Thank you also to our volunteers and staff for their hard work on this Symposium.

Again, welcome to OTAC's premier spring professional development Symposium. We are glad that you have joined us.

Patricia Nagaishi, PhD,
OTR/L, OTAC President
